

# BELS Gozo Country View Apartments Description

**Address:** St. Mary Flats, St. Lucy Street, Kerċem. Gozo

The BELS Gozo country view self-catered apartments are all two bed-roomed and enjoy wonderful country views from a good-sized terrace. Every unit includes bedrooms, sitting/dining room facilities, a well-equipped kitchen, a shower or bath room. Other facilities include a fan in summer and gas heaters in winter which are provided at a charge. Bed linen and towels are changed once weekly. Units are available for sharing and for single use.

The BELS apartments are about 5 minutes' walk to school, a 3 minute walk to the village centre of Kerċem and a 25 minute walk to the capital Victoria. Kerċem is a secluded village, only a short distance from Victoria. Its origins are ancient; in fact, the village and the outlying countryside are home to several antiquities, and the source of much Gozitan folklore. Il-Mixta hill nearby is thought to be the site of the first human habitation of the Maltese Islands. In the village, you can see the remnants of its ancient past - an old windmill cum defensive tower; and some stone balconies depicting the oriental crescent or half-moon.

**Transport:** Bus route 313.

Every effort will be made to make your stay at the residence as enjoyable and pleasant as possible. In case of **emergency**, please contact our Administration Department who will assist and guide you in the best possible way.
