LINGUAVIVA SUMMER SCHOOL FOR JUNIORS IN LIGNANO

Lignano, a peninsula stretching into the Adriatic Sea, is situated between Venice and Trieste.

Lignano is a popular holiday resort with a mild, healthy climate and outstanding facilities for sport and entertainment.

With its lively atmosphere and excellent amenities, Lignano provides the ideal environment for study and leisure.

Our International Summer School is in the mid-zone of Lignano between the deep blue of the sea and the peaceful green of the luxurious pinewood. It is in a pleasant residential village, Villaggio Adriatico, which hosts holiday programmes for Italian teenagers.

Our junior centre has an extensive pinewood park, a wide private beach and numerous sport facilities such as swimming pool, basketball, volleyball and soccer courts.

It is the perfect setting to have outdoor classes and to organize sports and leisure activities.

Our courses are specifically aimed for teenagers, held by experienced teachers.

Learning a language or improving language skills can be fun.

During the activities students are divided in groups according to their age, whereas for Italian classes groups are formed according to language knowledge.

12 – 14 YEARS

Young students are closely monitored, the programme foresees 1 supervisor every 15 students.

They are hosted in a residential centre with full board.

Boys and girls sleep in separate triple rooms with private bathroom.

Students will enjoy many sport, leisure and evening activities which are always under the supervision of the group's tutor and tailored to age group.

15 – 16 YEARS

Supervision is foreseen for the young students, however they can move independently in the resort.

Students can choose from a wide range of sports and creative activities.

During evening activities outside the holiday camp students are always escorted by our supervisors.

They are hosted in a residential centre with full board in triple rooms with private bathroom.
